In pursuant to a Federal Search Warrant executed at the Cedar-Sinai Complex, 4833 Fountain Avenue, I was instructed to make forceful entry into secured areas by Special Agent [redacted] Following SA [redacted] instruction, the secured door located directly east of the main entrance at the Cedar-Sinai Complex, in an area where the Sea Organization offices were located was forced in. This entry was made at approximately 7:10 AM after first being instructed to wait while keys were obtained. However, when keys arrived for this section, no keys fit the one secured door, which was then forced.

I, [redacted] Special Agent of the FBI, on July 8, 1977, conducted an abbreviated inventory of three rooms of the old Cedars of Lebanon Hospital complex, 4833 Fountain Avenue, Los Angeles, California. These rooms were numbered [redacted], 25, and 26 for search-identification purposes, and were located on the ground floor of the southwest wing. I was assisted on the inventory of room 24 by SA [redacted] and rooms [redacted] and [redacted] by SA [redacted] All three rooms contained various 4, 5, and 6 drawer metal filing cabinets along the outer walls, and wooden shelf works down the center of the room. Both the metal cabinets and shelves were stocked with assorted cardboard boxes which contained file folders. Attached to the door of room number 25 was a paper sign which read [redacted] Room 24 contained file cabinets numbered [redacted] containing files arranged alphabetically from [redacted] through [redacted] Room 25 contained cabinets numbered 33-50 and files from [redacted] to [redacted] Room 26 contained cabinets 15-32 (with number 21 listed as 110) and files alphabetically arranged from [redacted] to [redacted] The cardboard boxes were not in order alphabetically but roughly contained files of individuals and organizations from [redacted] through [redacted] stacked randomly.
