October 23, 1978

Dear Mr. Bates,

The Church of Scientology of Boston puts together a touch football team each year with which to play various other teams and groups. We play the games in the Boston area and charge an admission fee which is then donated to charity.

This year instead of playing local fraternities and colleges as we usually do, we decided it would be more fun to play teams comprised of groups with which we have dealings in other areas. This will afford us an opportunity to get to know you personally and will also be used as a gimmick to attract more attendance which will pay off in turn toward the charity. The charity we have chosen this year is the Jimmy Fund.

We hereby challenge you to a game to be played sometime over the next 4-6 weeks. We are currently putting together a schedule so we have some open time to play with. Our team is comprised solely of members of the Church but I must warn you that we are very good and have never lost. Our softball team

played the New England Patriots a couple of years ago and beat them soundly.

Please let me know as soon as you can if you're game. We don't practice much so don't think you have to put together a professional team. There is no ulterior motive behind this. It is simply a way to get out from behind our desks and have some fun and raise some money for a worthy cause at the same time.

I look forward to hearing from you soon. If you accept our challenge I will contact you to make specific arrangements.

Best,

Rev. Jerry Velona
