ReTPairtel to Bu, 11/8/77.

ADMINISTRATIVE

Referenced airtel advised Washington Field that leads set out to Tampa on earlier communications were being held in abeyance pending Washington Field Office (WFO) clarification of specific violations under Federal Bureau of Investigation (FBI) jurisdiction on which aforesaid leads were premised.

Assistant United States Attorney (AUSA) RAYMOND P. BANOUN was consulted concerning the FBI jurisdictional bases. BANOUN advised that the USA's Office in Washington, with full knowledge and approval of the very highest levels of the Justice Department, was investigating a conspiracy by members of the Church of Scientology (COS) to burglarize government and private offices, including law offices, and to steal documents which were of interest to the church.

[REDACTED] Federal statutes currently cited in this investigation are: 18, United States Code, Sections 371 (Conspiracy), 1503 (Obstruction of Justice), and 641 (Theft of Government Property). (b)(4)

Prosecutions of the Federal Conspiracy Statute in the District of Columbia permit prosecutions of counts of conspiracy to violate provisions of the District of Columbia Code. The successful prosecution of this case necessitates a demonstration of the development and full scope of the alleged conspiracies of the church. Though the investigation centers around the COS activities directed against the Federal Government, an essential part of the case will be the conspiracies directed against non-federal and private offices/persons.

Moreover, oftentimes the technical non-federal offenses being investigated involve matters evincing a clear intent to violate the civil rights of various persons, e.g., burglarization of law firms representing persons suing or being sued by the COS in violation of the attorney-client privilege, etc.

In addition to investigation requested by WFO, Tampa is requested to provide the Bureau and WFO a copy of the Clearwater Sun newspaper article referred to in Tampa airtel to the Bureau, 11/8/77, and any further articles which might appear relating to the current investigation of Tampa division.

In referenced airtel, Tampa provided inserts regarding contacts with [REDACTED] These contacts must be [REDACTED]
